TRIP TO NEW YORK AND MICHIGAN

In late June, we were able to take a trip to Michigan and New York. We were able to reach people at three movie nights. Seven people came to know Christ through those meetings. We visited with Salem Bible Church in Salem, Michigan. They have supported Drive-In Ministries for over 50 years! We also partnered with Caneadea Hills Community Church in Caneadea, New York for two movie nights in the surrounding communities of Rushford and Friendship. It was so exciting to see how the Lord worked through this trip. We were able to meet new people, build relationships, and connect with many ministries. We are looking forward to growing these relationships that were formed and return to both Michigan and New York in the spring and summer of 2025.

»»» DRIVE-IN PARK

While my work with Drive-In Ministries encompasses the whole ministry, much of our time is spent at Drive-In Park because we are local to the park and the need for volunteers there is great. We also got our start with Drive-In at the park and enjoy meeting people and the work that happens there too. This year we have had 1,822 in attendance and 363 people have given their life to Christ from the movie events there. That is a HUGE blessing! The Lord is working right here in Prattville, AL.

»»» THANK YOU

Thank you so much for your prayers through this phase of our lives. Your prayers matter and we can see God working in us because of your prayers. God is truly working in mighty ways both in our lives and the lives of those we are privileged to come in contact with.

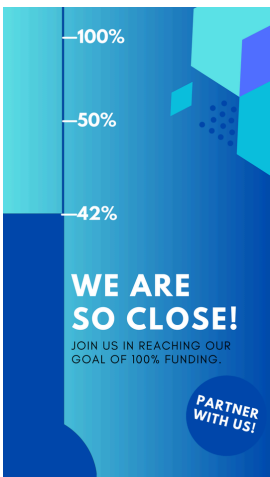

»»» OUR SUPPORT

We have been support raising since November of 2023. We are currently at 42% funded. Our goal is to reach 50% before November of 2024. This goal is BIG for us as I would be looking to go part-time with my work and part-time with Drive-In ministries too. I would be able to devote more time to the ministry we are already doing and to be able to take on more work as well. Would you please pray and consider partnering with us to do Kingdom work?

If you believe that the Lord is working through us and want to partner with us, please scan the QR code to take you to the giving section of our website. If you have questions or would like to discuss how you can partner with us, we would love for you to reach out to us in any of the ways listed below.
